

Dear Potential Client,

There are so many other carpet cleaners out there and frankly, you don't know me from the next guy holding a cleaning wand.

Our goal at Wee Clean is to provide our clients with the best quality. We are a "service oriented" company and you are our number one priority.

I would like to have the opportunity to prove this by providing you with 100 sq. ft. of FREE Carpet Cleaning. Then you can decide if we are the company for you after we have shown you what we can do.

This is my attempt to be the "red zebra" and show you how I stand out from the crowd.

*Kleve Mathie*

## 100% NO-RISK GUARANTEE

We want you to be super pleased - in fact, absolutely delighted - with every carpet and upholstery job we do. So every job comes with our iron clad, risk-free guarantee. What does this mean?

Simply this: if you aren't happy with our work, we'll re-clean the area for free. And if you still aren't pleased, you pay nothing. Not one cent. . If you still aren't pleased, we will refund your money. Many companies don't guarantee their work - but we feel nothing is more important than your complete and total satisfaction. We stand behind every job 100%.
